

Course Policies

Attendance Policy

Enrolled students are expected to complete the entire course, and even unavoidable absences do not relieve them from being responsible for work assigned during the course. Students may not attend classes until they have officially registered for the course through FAES's online registration portal or by submitting a complete Enrollment Form to FAES.

Enrollment Options

Credit

One credit corresponds to 15 standard classroom hours. A standard classroom hour is defined as 50 minutes of instruction time and 10 minutes break. Students registered for credit must complete all coursework as required by the instructor.

Audit

An auditor must pay the same tuition fee and meet the same prerequisites as a credit student. S/he receives full privileges of class participation, if s/he chooses to exercise them. An auditor does not receive a grade or credit; s/he receives a grade of "AUD."

Enrollment Status Changes

Students may request status change from credit to audit, or vice versa, provided the request is submitted in writing to the FAES Academic Programs at registrar@faes.org and in accordance with the published timeline. Reporting a credit- audit change to the instructor does not constitute an official change. Students who have been sponsored by their home institutions or employers to take FAES courses must submit written approval from their Administrative Officers when requesting a change from credit to audit.

Certificates and Badges

Certificate of Completion

Students who complete the required curriculum in either of the three Advanced Studies programs will earn a certificate of completion. A physical copy of the certificate will be mailed to the student's address at no cost.

The 'Dean's Seal of Excellence' Badge

Students may be eligible for the 'Dean's Seal of Excellence', a digital badge issued by the FAES Academic Programs that signifies successful completion of a specific series of courses and/or outstanding performance during coursework.

Course Withdrawal Policy

Drop Policy

Students may drop courses through self-service by logging into the Student Portal until the 2nd week of the term.

Alternatively, the intent to drop a course at the FAES Academic Programs **must be made in writing** to the Academic Programs at registrar@faes.org. **Reporting a course withdrawal to the instructor is not considered official.**

The dropped course will not appear on students' academic transcript.

Sponsored Students

Students whose courses will be paid for by their employers need to coordinate in advance with their Administrative Officers or HR departments to determine whether they are liable to pay the prorated portion of the tuition in cases when they wish to drop a course.

Students who are recipients of an FAES scholarship will have the prorated tuition withheld when refunds are to be paid due to dropping a course.

Involuntary Withdrawals

Students are allowed to drop a course involuntarily for the following reasons:

- Illness of student or immediate family member (child, parent, spouse, or member of household)
- Death of student or immediate family member (see above)
- Called to active military duty via enlistment, activation, or deployment (**Note:** Fees are non-refundable.)

In all cases, appropriate written documents of substantiation must accompany the request for withdrawal. Examples include: physician's note specifying the dates of treatment and that the illness made it impossible for student to continue enrollment in classes; notice, newspaper article, or funeral program; copies of military orders signed by an appropriate official, etc.

Refund Policy

Tuition Refunds

To obtain a refund, a course must be officially dropped by the refund deadline, as indicated in the academic calendar. The intent to drop (withdraw from) a course must be made in writing to the FAES Academic Programs at registrar@faes.org. Reporting a course withdrawal to the instructor is not considered official.

Refund of tuition fees will be granted only in cases when the FAES Academic Programs is notified in writing and in accordance with the published schedule for full-semester courses. For a refund schedule for courses of shorter duration, please contact the FAES Academic Programs at registrar@faes.org.

Refunds will be computed as of the date the written intent to drop is received in the FAES Academic Programs Office. In no case will tuition be reduced or refunded because of lack of attendance in classes or because students failed to consult with the instructor in advance of registration, in cases when the course description indicates that students must email the instructor for permission to enroll in the class.

A week before the start of term 100% tuition refund
During the 1st week 80% tuition refund
During the 2nd week 50% of tuition refund
After the 2nd week no refund and no withdrawal will be granted

Note: All refunds are subject to a \$25 refund/withdrawal fee per course. Refunds will not be granted to students who do not have a clear financial record with FAES.

Note: Fees are non-refundable.

Courses Canceled by FAES Academic Programs at NIH

FAES reserves the right to cancel a course due to insufficient enrollment. In such cases, students will receive a 100% refund of tuition and fees. Further, FAES reserves the right to limit registration, and to cancel, combine, terminate, or postpone courses, and to require the withdrawal of any student at any time for any reason that FAES deems sufficient.

Inclement Weather Policy

FAES Academic Programs courses are held in federal government facilities. Consequently, FAES follows the snow and dismissal procedures of the Office of Personnel Management (OPM).
